

Highways & Transportation – The Council had received a Service Inspection Report on the 40 parish streetlights. It was of concern how many were reported as vandalised. It was agreed to ask someone from the contractor, Streetlights, to attend the next Highways Meeting on the 17th March.

Speedwatch - report attached

Allotments – the leaking tap had been fixed.

Cemetery – a request from a relation to install a new seat had been agreed

Joint Flood Group – Nothing to report

Village Warden – report attached

19/109 FINANCIAL STATEMENT AND ACCOUNTS FOR PAYMENT

Agreement of the Financial Statement was proposed by Cllr Marks and seconded by Cllr Tripp. All cheques were signed

19/110 PUBLIC DISCUSSION

It was reported some of the PROW's in the village were being used by bicycles and horses. This would be reported to KCC.

Mrs Byron said the Commonwealth War Grave sign was well positioned and the cemetery itself was looking in good condition.

Mrs Byron introduced Ela Bird as a new member on the Rostrum team

Mr Stones mentioned how good a living wall in Ashford looked. He also said when crossing Tonbridge Road two cars from Red Hill jumped the red light and it was important pedestrians should wait for the green man crossing light

There being no further business the Chairman thanked everyone for coming and closed the meeting at 8.30pm
